Vote Entry Operator

Served by Carmella

June 2020 - Present

Self-owned and operated baking company

Swimming Lessons

June 2019 - Present

Taught children aged 18 month - 8 years old

Scholastic Involvements

Creative Commons

2021 - Present

Event Coordinator 2021-2022

Creative Commons is a group that focuses on cultivating a nurturing and creative space for individuals who are under-represented in their various fields. We host a variety of diverse speakers and events that cover several creative-related topics.

Clifton Builders Program

2021 - Present

Upon selection, Clifton Builders join a cohort in which they take classes and participate in a variety of events together. These opportunities foster strong relationships within each cohort, and they may include networking events, activities within the College of Business, business-related field trips, social events and more.

Buoy - The Experience Lab

2022 - Present

Students will work for real-world clients who are looking for services in advertising and public relations. Buoy provides services for non-profit organizations and local community partners.

Extracurricular Activities

Senior Ambassador

2019 - 2020

Ambassadors assist at such events as school visits, information evenings for parents and students, athletic events, Open House, the high school placement test, school fairs, and other events.

G.I.V.E Extracurricular

2018 - 2020

Get Involved. Value Everyone. This extracurricular is aimed to get everyone in the school participating in service. It offers numerous service opportunities throughout the year for various agencies.

S.A.D.D. Club

2018 - 2019

President 2019-2020

Students Against Destructive Decisions is a club focused on the effects on lives caused by drinking and texting while driving.

Graphic Design Club

2017 - 2018

The focus of this club is to provide others with graphics on things such as T-Shirts, logos, etc. Students work together to create three separate designs for their creation and decide on one final product as a team.

Social Justice Club

2016 - 2017

This club gives high school students the opportunity to raise awareness and help individuals who do not have the same rights and resources as St. Teresa's students.

Community Service

Great Beginnings Early Childhood

2018 - 2020

86.5 Hours of Service

Early childhood center for children who struggle with minor or major disabilities in and out of school.
